Westminster School

‘The talk by Aric yesterday was *excellent*. I think the best we have had this term. I’m truly grateful to you for persuading him – it was tremendously intellectually stimulating and has provoked an enormous amount of productive discussion subsequently.’

Russell Dudley-Smith, Head of Sixth Form

Wellington College

‘Aric was really excellent and the students have been talking about his presentation since. He got the balance between science, fun, seriousness, interactivity and humour just right and he put across very well a message which is always going to have young people folding their arms and rolling their eyes.’

Ian Morris, Head of Well Being PSHE

St Mary’s School, Ascot

‘Just to let you know that Aric was brilliant today – again. A lot of parents have come up to me afterwards and said that they thought he was absolutely brilliant. I thought he was too. Enlightening!’

Christiane Scott

The King’s School, Canterbury

‘Let me repeat my/our appreciation for your stimulating presentation ... Perhaps you should be cloned your updated message gave a whole new twist to the stuff we've thrown at them. So it's a big Thank you from me, and I look forward to both receiving your word and and preaching your gospel.’

Reverend Dr Iain Bentley, PSHE and Pastoral Care

Uppingham School

‘Many thanks for your exciting talk, which is still generating positive comments from both staff and students alike. I am interested in booking you for a presentation on The Effects of Electronic Media on School Performance.’

M.N. Hunting

Dragon School, Oxford

‘Aric came to the Dragon last Saturday and gave an impressive talk on children and alcohol. We wondered if he would be able to give another talk to the school on Wednesday 22nd of June, 2011 on Body Image. If possible, it would be wonderful if he could do three talks, one to our Year 8 and another to Year 6 and finally a talk to the parents.’

Clare Strickland, Head of Upper School

Oundle School

'I have had excellent feedback from pupils, colleagues and parents following your talk...Thanks once again for joining us. I had a very enjoyable evening too!'

Helen Machin

Latymer Upper School

'The day was a great success. We had a fantastic response from our parents to your evening address to them - so much so that they emailed the Head and asked that you address the sixth form ... Thank you Aric, you overwhelmingly brought the house down! Everyone loved it.'

Salli Parra, PSHE

Haileybury School

'All groups found him engaging, funny and he pitched the talks at appropriate levels for the age group. The parents found it very useful for someone to explain the latest research in alcohol education, and much time was spent on questions.'

Clare Denlegh-Maxwell

Surbiton High School

'It was a pleasure to listen to you speak again. The parents were riveted as their daughters had been because you are an excellent speaker, and armed with the latest research and humour, it is a formidable mix. Well done.

I am so happy that we are going to see more of you.'

Gupreet Kumar, PSHE

Felsted Preparatory School

'Just wanted to say how brilliant Aric's presentations were on Tuesday night. The pupils were thoroughly impressed by him and the parents were equally impressed. What he has to say is very, very important and I am delighted he was able to come and deliver his message, as were many of the parents.'

Mark Stringer, PSHE

The King's School, Bruton

'Aric was absolutely brilliant. His presentation was spot on for the year groups he spoke to and was very well received by all. It really was a privilege to have him in the school and we would thoroughly recommend him to others.'

Zanna Wilson-Brown

Andrew Grimshaw

‘Aric’s talk had them hooked. He did not patronise them, nor did he preach. He gave them the facts in an entertaining and thought-provoking way, with just the right amount of science - some of which was at the cutting edge.’

Stephen Wainde

‘Thought you would like the feedback from the girls - all of it very positive as expected. Thank you for coming in and I will be in touch to book for next year!’

Anne O’Neill, PSHE

‘The feedback we got from our students, teachers and parents alike was very positive. The students said that they found it: “ Amazing! Awesome! Cool! Learnt so... many new facts! Liked that he didn’t talk down to us! He didn’t preach! “ Parents were likewise positive about their children’s experience. Thank you for making the day a memorable one for our clients – students, parents and teachers.’
